I the undersigned, _____, Passport Country _____
Passport Number _____ declare that I cancel my registration in my
previous recruitment agency _____ and that I wish to be registered
with _____ recruitment agency..

**I understand that new Israeli regulations require that I be registered at all times
in the offices of a Licensed Recruitment Agency which will register me with the
Government Foreign Worker's Registry.**

**I understand that if I change employers or leave my employer, I must notify the
Recruitment Agency of the change, so that the Agency can notify the Registry. I**

understand that I am free to change employers, but that if I do not give advance notice, my employer may deduct sums from my salary as set out by law.

I understand that I am free to change the Recruitment Agency in which I am registered, at any time, on condition that I register with another Recruitment Agency/

Alternately, if I leave my present Recruitment Agency and I am not registered in another Recruitment Agency I may register directly with the government

I understand that I may not work for any employer while I am registered in the Government Pool, and that I may only work while registered in a registered Recruitment Agency and only for the employer whose name is set out on a Certificate of Placement given to me by my current Recruitment Agency,

I understand that if I leave my employer without notifying the Recruitment Agency or if I leave the Recruitment Agency without registering in another Recruitment Agency I will lose my legal status in Israel, and may be deported.

I understand that the Recruitment Agency in which I am registered must give me a Certificate of Placement signed by the agency representative, stating the name of my employer, and that if I wish to change employers or agencies I must receive a similar letter concerning the new employer from the new agency.

I understand that in the case that my employment is stopped, the Recruitment Agency in which I am registered is responsible for finding me another employer. In cases in which I unreasonably refuse employment or unreasonably leave an employer, or if I violate my employment contract or the conditions of my visa this responsibility will be annulled.

I understand that the Recruitment Agency may not charge me any sum of money whatsoever for registration or for sending me to an employer.
